BEER

LOCAL CRAFT

Heads of Noosa Brewing Co. 8

Lager 3.5 (3.5%)

A refreshing mid-strength beer brewed with a unique blend of specialty malts. Fermented ice cold for a clean and crisp mouthfeel and filtered, making it easy on the eye and the palate.

Amber Lager (4.8%) 9.5

The embodiment of balance, this American Style Amber Lager is brewed with a blend of six malts and is delicately hopped.

Japanese Lager (4.5%) 9.5

Brewed, fermented and filtered with precision. This lager is clean, crisp and delicately divine... for exceptional times

Diablo Co.

Ginger Beer (4%) 10

A ginger-lime hit that's subtly balanced with chilli hints. Invented for Queensland's balmy climate, it's clean, crisp, devilishly refreshing, and exactly what you'd expect from a unique blend of 13 balanced herbs, spices and natural ingredients.

Fick Brewing Co.

Golden Ale (4.5%) 9.5

A golden ale with medium bitterness. Brewed as a pilsner but fermented with ale yeast, it's an easy drinking, malty ale and definitely sessionable.

Red IPA (8.0%) 10

Dark red in colour, our Red IPA is a balance of caramel roasted malts and floral hops and at 8.0% the moderate bitterness makes it dangerously sessionable.

Stone & Wood Brewing Co. 8.5

Pacific Ale (4.4%)

Australian Pale Ale with characteristics of passionfruit, citrus and tropical fruit aromas.

All Inn Brewing Co. Session Ale (3.5%) 8

This deceptive beer drinks and tastes like a full-strength pale ale but doesn't have the higher ABV. Tropical fruit and balanced malt make it the beer to session on when you still have plans afterwards.

Extra Pale Ale (5%) 9.5

An excellent introduction to Citra hops in a simple, clean, and only moderately bitter beer. Citrus, grapefruit, lychee, passionfruit and melon notes

Milk Stout (6.7%) 10

A luxurious and even-tempered stout, which juxtaposes piquant English hops, a subtly saccharine scintilla of lactose, and a whisper a charred cereal grains.

Great Northern Super crisp (3.5%) 7.5

XXXX Gold (3.5%) 7.5

Great Northern Original (4.2%) 8.5

A brigade of speciality malts and North American hops. Squeezing this many hops in, and the alcohol out, is a testament to our craft. Nanny State - no compromise, no surrender, no alcohol.

CIDER

Colonial Brewing Co. Bertie cold-pressed apple cider (4.6%) 9.5

Colonial Brewing Co. Bertie produces a crisp, delicious cider that's small on sugar but big on taste! Because true apple cider shouldn't taste like apple cordial with booze and bubbles!
